## **Episode 36 – Superannuation Thresholds and Pre-Budget Whispers**

This podcast discusses updates on superannuation thresholds which the ATO recently released which will apply for the 2016/2017 financial year. We also discuss some strategies around these thresholds.

- Increase in CGT contribution cap
- Increase in the low rate cap
- No change to concessional and non-concessional caps
- Changes to co-contribution thresholds

The pre-budget whispers being talked about include the potential change in contribution caps and the changes or removal of the ability to implement a transition to retirement strategy. Our next episode will be a budget edition and we will have full details of any changes.

As always, this topics are best discussed with an SMSF specialist so make sure you are getting the right advice from SMSF professionals to make sure you get the right advice for you individual circumstances.
