Episode 66 – Strategies to consider to counteract labours Franking Credit Policy

In this episode, we'll discuss ATO updates and labours franking credit policy including a look at a couple of potential strategies.

Here are the Key Points in this episode:

- ATO targeting late a non-lodging SMSF's
- ATO flags common TBAR errors – double reporting, timing differences
- Investment strategies – recent court cases, auditors focusing on investment strategies
- Labours tax policy (franking credits) – Again!
- Formulating strategies

As always, we are happy to talk about your super and your circumstances. If anyone is interested in a strategy meeting, please contact us via our website www.buscgroup.com.au and we can give you a call.

Our next episode will be full of the budget news, but in reality it is only relevant if the government is re-elected.
